Dear Eddie:

I have followed your work in Finland with great interest. I have had great confidence in the abilities of the men in that field and know that you will be able to accomplish much.

Our situation here is such that it will not be possible for you to appear in behalf of the Finnish work. We are presently supporting a preacher in the Virginia field at \$540 per month. Our budget for this year contained a "Special Pleas" fund of \$1700 which has already been over subscribed. I believe that your presentation would be worth a great deal to our people in that it would broaden their concepts of the Mission of the Church. However, we have been swamped with people presenting pleas for various areas; even to the point of depressing some of our members because we are unable to help at this time. In view of these circumstances and with great sympathy for your work, I must advise against a showing here.

If I can help by suggesting congregations that I think could offer some support, please let me know and I will be glad to help. We send you our prayers and best wishes.

Faternally yours,

John Allen Chalk
